# Hallmarks of Cyberbullying

---

## Hallmarks of Cyberbullying

- Bullying that is perpetrated through electronic means, such as texts, posts, or social media
- Messages and images can be posted anonymously and distributed quickly to a very wide audience. It can be difficult and sometimes impossible to trace the source.
- Deleting inappropriate or harassing messages, texts, and pictures is extremely difficult.
- The person who posts is shielded from the reaction of the victim and the damage they caused.

# Think Before You Post!

---

## Reminder

All electronic communications are:

- Public
- Permanent
- Traceable

**BEFORE YOU POST...**

**THINK!**

**T** - is it true?

**H** - is it hurtful?

**I** - is it illegal?

**N** - is it necessary?

**K** - is it kind?

# Think Before You Post!

---

All “reported” and/or witnessed incidents of bullying and hazing are taken seriously, investigated on an individual basis, and progressive discipline is implemented and monitored.
