WASC Accreditation & Transferability of Courses:

All CATCH Prep courses are WASC-accredited and all A-G courses are transferable to other public schools, and meet the rigorous requirements for admission to both the UC and Cal State university systems. Every transfer student will participate in an intake meeting which includes a review of his/her transcript and tracking towards graduation. Every CATCH Prep exiting student will also receive a transcript to provide him/her with an official record of courses completed and credits earned. In addition, the school's master schedule will be informed by student needs to ensure sufficient intervention opportunities are available for the student population. Please contact Principal Codio, or any CATCH Prep administrator for further information.
